MS. **GULSHAN** AMIR

Director Media & Communication

As the Media and Communication Director for "**Unique K Sitaray**," our annual magazine, I am dedicated to enhancing children's journalism and creative writing skills while boosting their productivity.

Our magazine serves as a powerful platform for young writers to express their thoughts, ideas, and stories. By publishing their work, we create a lasting record of their achievements, fostering a sense of pride and accomplishment within our community. Additionally, our magazine acts as a link, connecting the different chapters of Unique School System and showcasing the diverse activities and initiatives undertaken throughout the year. Through this integrated approach, we celebrate the power of words, nurture imagination, and empower the next generation of storytellers and communicators.

SYED **BABAR** REHAN

Project Director

Creating an environment that fosters self-expression and empathy while nurturing a collective vision for a brighter future is an endeavor that requires dedication, commitment, and a thoughtful approach. Within our educational institution, we are steadfastly dedicated to providing our students with not just an academic curriculum but also a platform that encourages the exploration of their thoughts, emotions, and perspectives.

The pursuit of self-expression is a fundamental aspect of personal growth and development. It allows individuals to articulate their feelings, beliefs, and unique ideas, fostering a sense of autonomy and confidence. Moreover, when we empower our students to express themselves freely, we cultivate an atmosphere of inclusivity, where diverse opinions are not only welcomed but celebrated.

SYED **EHSAN** ZAIDI

Director PR (Public Relations)*

I would like to welcome and greet all parents and students at Unique School System. Being director of public relations, i considered myself as a liason between the institute, all the media and local press in order to stimulate the academic programs and activities of the institute. My aim is to exert all possible efforts and PR strategies to nurture UNIQUE as a brand and maintain its positive public image. I work strategically to shape and mainain the institue's image, strengthen relationships with general public/parents/students, and use various communication channels to effectively elevate the organization's brand and messaging. UNIQUE K SITARY, i found the best representation of institute to promote activities ,students' creativity and encourage excellence.

Thankyou for your unwavering support!

NOSHEEN RUBAB BABAR

Director Unique Angels

Congratulations are in order! Our primary focus remains on the continuous advancement and attainment of educational milestones. Unique School System has undergone enhancements, elevating its status to that of a Higher Secondary School. Starting from the upcoming year, our students will have the opportunity to pursue their college education within the same institution. Upholding the standard of delivering top-notch education remains our steadfast commitment. We take upon ourselves the responsibility of providing quality education, contributing to the nurturing and growth of our nation.

MISS **ONEEB**

Coordinates to Principal

Being part of school the unique management, i am striving hard with team to make best possible efforts to inculcate strong values combining with academics and extra curricular activities in students a school is not only pursue academic.

This intiative 'Unique K Sitary' is also an encouragement for students to show their creativity writings. During my tenure of almost ten years, i found Unique the best platform for me to excel myself in many different aspects of life.Best of luck UNIQUE for all future endeavours!

Editorial

We as the staff at "Unique School System" are absolutely elated to be releasing our school magazine "Unique kay Sitary" of the session 2022-2023 This magazine has come about as a result of extensive collaborative efforts of our adroit students and undaunted teachers determined at producing an editorial print that comprehensively demonstrates the curricular and extracurricular activities carried out by the student's body inside as well as outside the school premises.This magazine is composed of articles and stories written by the students about community, events, Topical issues and current affairs, which make the magazine very informative and an absolute treat for the readers, whilst the colorful pictorial features and art work of the students included in the magazine, makes it immensely attractive and appealing to the eyes.

This magazine will be source of awareness amongst parents and other people about the definite successful future of our institution and its student. It will provide them with a window into our student's ingenious minds to have a glance at their innovative thoughts and ideas. This magazine provided our young artists and writers with a platform to express their creative ideas which they have surely exploited well.We are grateful to all the students and teachers, for their effort and contribution in the production of this magazine. We express our gratitude to our director"Ms. Gulshan Amir" for her benevolent support in the compilation and publication of "Unique kay Sitary" It would not have been possible without her persistent counselling throughout the procedure.As the representative of our school management, We would humbly request comments, reviews and valuable suggestions from our readers, so that we can further improve our magazine next year.

Lastly the entire team of "Unique Kay Sitary" wishes the readers an amazing experience of Pleasure!

In winter keep me warm

We learn in the school
Discipline and the rule

Our teacher are so nice
They give knowledge and advice

I will only be a fool
If i do miss my school

I go with a bag
With my school tag

Many books are in library
Some we read some we carry

August comes and back to school
Go all the boys and girls,
With paper, pencils, pretty books
Singing like merry birds.

It's fun to Read, It's fun to write.
It's fun to count, It's fun to write.
It's fun to draw and spell.
We learn to read, We learn to act,
We learn to work, And play & pray as well.

Today I hurry off to school
To work, Learn & Play
I am in a brand new grade this Year.
What a happy Day!!!

My School Life

School life is the best time of our life as we make new friends, learn new things and build our career there. School time is the only time which we enjoy most, and when we enter collage, we always miss our school life. School life Teaches us lot of things and prepares us to face all the challenges of life. I love My school life and really enjoy it. I have lots of friends and all my teachers love me. I love my school and enjoy going there. Everyone keeps on saying that school life is the best time of our life. When Listening to these phrases from their elders, the school students think about what is good about this life. All we do in the entire is to attend the classes and to do the homework. But once school life gets over, the students realize that school life was the best time of their life.

The Most Inspiring Teacher of Mine

A teacher is an important person in every ones life. Teacher brings good education and lays the foundation for good habits. I have a teacher in My life who is important to me. The teacher who inspired me, is my class teacher and her name is Rabia. She teaches me English. She has full knowledge of her subject. Her method of teaching is very interesting and impressive. She loves all her students as his own children. She always wear simple clean clothes well and is very learned. She always helps every student. She likes disciplined students. She never discourages any student and never make any distinction or difference between the students. I have great regards for her because she always leads the students to the right path. I am so grateful for having such a inspiring teacher in my life.You are just a shining star in my life"
I love my Teacher.

The Happiest Day of My Life

Happiness is a sense of well being, joy or contentment. To get happiness in life is rare. There are some such occasions in one's life that leave an everlasting imprint on mind.
The happiest day of my life was when I stood first in annual exams. My parents were very happy. They were feeling proud when I got the certificate and the trophy.
I promised myself that I will bring that day again every year by standing first in class. This is how the ***"happiest day of my life"*** *come to happy ending. It was indeed the happiest day for me and my family.*

The wonders of Science

'Wonders of Science' are the blessing on which humans rely for their living. It has made us to live our life with utmost excitement. Right from the mobile alarm that wakes us up in the morning to the melodious songs that we here using the head-phones before bed, each and everything that man uses are wonders of science.

The observation of our surrounding, our constant thirst to know about things and invent new ones according to our needs has what led to a completely innovation field in the name of science.

Everything we do, from small things at our home to launch of rockets in space, has some science that involved in it. Science has done so many wonders to us that it is impossible to ignore the role the science has played in our lives.

Video Game Review

PUBG stands for Player Unknown Battleground. It is an online multiplayer video game that released in 2017. It is a player versus player shooting game in which 100 players can fight at a time. In this game, a player can play a match separately or in a group that will be consist of players up to four. The last player or team wins the match. Each match start with player's parachuting from a plane.

I just can't express how I love this game. After so many times, I found a really god game. Some people says that it is a violent game but if you are a mature enough, its nothing as such. Although thus game should not be available for school kids.

Independence Day

Independence Day of Pakistan is celebrated on 14th of August. We got freedom form the British on this day. Independence Day commemorates the sacrifice of freedom fighters and political visionaries. It remind people of their roots.

This year we are celebrating the 75th independence day of our country Pakistan. Independence Day keeps us and our generation informed about our glorious past and heritages. We celebrate public holiday and sing National Anthem on this day. Every Pakistani celebrates this day with pure joy.

Being a Pakistani, every citizens feels proud to be a part of this country and to cherish the struggles and efforts of our forefathers who sacrifice their lives for this sacred land,
we all celebrate this day whole heartedly.

I want to be a Bird

M Ahmed Hannan
Class Five (A)

I want to be a birds so that I could fly above the sky where the planes fly. I would be able to wave my hands pointing the pilot. If I were a bird I could also fly to the top of the big mango tree nearly our fishery. I could also fly and dive into the nearly lake and take a cool shower.

My dream to be a bird got developed when I saw a group of birds talking to each other in their own language. I could not understand their language. I felt free when I saw them flying like planes high above the sky from everyone's reach.

Times comes & Times Goes

Abdullah Shabbir
Class Seven (C)

Time comes and times goes,
Every way has a little while;
Like a breeze in the airflow,
That will gust on and beguile.

Somethings come in the air,
When summer comes around,
Blooming ways small and dear,
In beds earth are then found.

Spring makes its tide's vow,
In the green and growing hills;
Every leaf and every bough,
Promises of blossoms idylls.
Colors linger to grass grows,

With a new and warmer smile;
Who'll know what after glows?
When the time's walked its mile.

Art in Nature

In wondered lonely as cloud;
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing the breeze
Continuous at the stars that shine
And twinkle on the Milky Way
They stretched in never-ending line
Along a margin of a bay;
Then thousand say I at a glance,
Tossing their heads in sprightly dance

Murder of English

Ahmad Butt
Class Eight (A)

Pick up the paper and fall in the dustbin.

Both of you stand together separately.

Why are you looking at the monkeys outside when I am inside?

Will you hang the calendar

or else I will hang myself?

I have two daughters both are girls.

Give me a blue pen of any color.

The principal is revolving in the corridor.

All of you stand in a straight circle.

Time comes & Time Goes:

Emman Fatima
Class Seven

Time is precious,
Don't let it pass by
For once it's gone,
There's nothing but to cry:

So, be strong and hold some
Give some and take some

Time is water,
Don't let it dry
For once it's gone
There's nothing but to cry.

So, be quick and keep some
Use some and gain some
Time is money,
Don't let it fly
For once it's gone,
There's nothing but so cry.

So,be wise and grab some
Give some and gain some

Time is precious,
Don't let it pass by
For once it's gone,
There's nothing but to cry:

Rain in Summer

How beautiful is the rain!
After the dust and heat,
In the broad and fiery street,
In the narrow lane,
How beautiful is the rain!

How it clatters along the roofs,
Like the tramp of hoofs
How it gushes and struggles out
From the throat of the overflowing spout!

Across the window-pane
It pours and pours;
And swift and wide,
With a muddy tide,
Like a river down the gutter roars
The rain, the welcome rain!

The sick man from his chamber locks
At the twisted brooks;
He can feel the cool
Breathe the each little pool;
His fevered brain
Grows clam again,
And he breathes a blessing on the rain

From the neighboring school
Come the boys,
With more than their wanted noise
And commotion;
And down the wet streets
Sell their mimic fleets,
Engulfs them in its whirling
Till the treacherous pool
And turbulent ocean

In the country, on every side,
Where far and wide,
Like a leopard's tawny and spotted hide,
Stretches the pain,
To the dry grass and the drier grain
How welcome is the rain!

In the furrowed land
The toilsome and patient oxen stand;
Lifting the yoke encumbered head,
With their dilated nostrils spread,
They silently inhale
The clover – scented gale,
And the vapors that arise
From the well – watered and smoking soil

Science & Inventions

Science is the blessing to all human beings. The role of science is very important to our daily life. It makes our life comfortable. Scientific information and knowledge have empowered humans. By the understanding of science, man has gotten lots of development in harming, communication, medical science and in almost every field. We cannot think of our life without science. The most important invention of science is electricity. It is the most important thing to keep the wheel of progress running.

Inventions of science have made our travelling fast and comfortable. We can reach safely in any part of the world within a few hours. We can easily travel through buses, cars, trains, ships, airplanes etc. these can be used to transport the goods also.

Science also developed a way of communication too. In past, we had to wait for a long time to get one's letter but today we can talk to our relatives even if they are so far from us, with the help of mobile. The invention of mobile and internet has reduced the distance between people.

The development of medical science and surgery can give us eyes to see, ears to hear and legs to walk. Medical science is doing unbelievable improvements. Now, diagnose the disease becomes much easier with the invention of X – rays, ultra – sound, ECG, MRI etc.

Science has discovered billions of planets and millions of stars. Scientists want to find out the size of universe as well. We are nothing without science.

حمد باری تعالیٰ

میرے رب کی مجھ پر یہ عنایت ہوئی
کہوں بھی تو کیسے عبادت ہوئی
حقیقت ہوئی جیسے مجھ پر عیاں
قلم بن گیا ہے خدا کی زباں
مخاطب ہے بندے سے پروردگار
تو حسن چمن ہے تو ہی رنگ بہار
تو معراج فن تو ہی رنگ کا سنگھار
مصور ہوں میں تو میرا شاہکار
یہ صبح یہ شامیں یہ دن اور رات
یہ رنگیں دلکش حسیں کائنات
کہ حوروں ملائک جنات میں
کیا ہے تو نے مجھے اشرف المخلوقات
میری عظمتوں کا حوالہ ہے تو
تو ہی روشنی ہے اجالا ہے تو
فرشتوں سے سجدہ بھی کروا دیا
لا تیرے لیے میں نے کیا نہ کیا
یہ دنیا جہاں بزم آرائیاں
یہ محفل یہ میلے یہ تنہائیاں
فلک کا تجھے شامیانہ دیا
زمیں پر تجھے آب دانہ دیا
ملے آبشاروں سے بھی حوصلے

پہاڑوں میں تجھے کو دیے راستے
یہ پانی ہوا اور شمس و قمر
یہ موجیں رواں یہ کنارہ بھور
یہ شاخوں پہ غونچے چٹکتے ہوئے
فلک پر ستارے چمکتے ہوئے
یہ سبزے یہ پھولوں بھری کیاریاں
یہ پنچھی یہ اڑتی ہوئی تالیاں
یہ شعلہ یہ شبنم یہ مٹی یہ سنگ
یہ جھرنوں کے بجتے ہوئے جل ترنگ
یہ جھیلوں میں پہنتے ہوئے سے کنول
ی دھرتی پر موسم کی لکھی ہوئی غزل
یہ سردی یہ گرمی یہ بارش یہ دھوپ
یہ چہرہ یہ تو اور یہ رنگ و روپ
درندوں چرندوں پہ قابو دیا
تجھے بھائی دے کر کے بازو دیا
بہن دی تجھے اور شریک سفر
یہ رشتے یہ ناتے یہ گھرانہ یہ گھر
اولاد بھی دی دیئے والدین
ا ل م ق او ر ع غ
یہ عقل و ذہانت یہ شعور و نظر
یہ بستی یہ صحرا یہ خشک و تر

محترم قائرین!

یونیک کے ستارے کا دوسرا اشمارا اس وقت آپ کے ہاتھوں میں ہے جس کا مقصد بچوں کی تخلیقی جوہر کی تربیت اور ان کی تحریری صلاحیتوں کے نشو نما ہے۔ علاوہ ازیں یہ جریدہ بچوں کے والدین کو اپنے نونہالوں کی تعلیمی سرگرمیاں اور ہم نصابی تحریکات سے آگاہ رکھنے کا بھی ذریعہ ہے۔ یہ امر باعث مسرت و تحسین ہے کہ ہمیں سکول کے جونیئر اور سینیئر سیکشن کے طلبہ وطالبات کی طرف سے ہماری توقعات سے بڑھ کر تعاون ملا ہے۔ جس کا مطلب یہ ہوا کہ بچوں میں ذوق نگارش پیدا کرنے اور ان کی صلاحیتوں کو بروئے کار لانے میں اہم کردار ادا کیا ہے۔ موصول ہونے والی نگار مکاتب عمدہ اور امتی ہے۔ یونین و کلسیم بچوں کی تربیت اور کردار کو سنوارنے کے لیے ہمہ تن مصروف رہتا ہے۔ ہر نئے آنے والے کو خوش آمدید اور یہاں سے فارغ و تحصیل ہونے والوں کو الوداع اس لیے کہتا ہے کہ وہ زندگی کے نئے آنے والے ایام سے نبرد آزما ہو سکیں۔

اس شمارے کی تکمیل میں معاونت کے لیے میں محترمہ "ڈاریکٹر گلشن عامر" صاحبہ اور اساتذہ کرام کی منون ہوں جن کی کاوشوں بہترین سے یہ شمارہ آج آپ تک پہنچ پایا۔ اسے پڑی ہے اور اپنی قیمتی رائے اور بہتری کے مشوروں سے ہمیں آگاہ کریں۔

جس قوم کا سرمایہ رہا غیرت قومی
اس قوم کو تاریخ میں مرتے نہیں دیکھا
دے "امن" کی خیرات کہ ہم نے تیرے در سے
خالی تو کسی کو بھی جاتے نہیں دیکھا

شکریہ
مس جوریہ، عائشہ قاسم
